

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 992 - SB 1215

March 17, 2011

SUMMARY OF BILL: Extends, from July 1, 2012, to July 1, 2013, the authorization for a municipality to expand its urban growth areas to include tracts 10 acres or less, if the tract is contiguous to an existing urban growth boundary; has been annexed by the municipality; has been provided water and sewer service; and has been included in the urban growth boundary with the consent of the owner of the tract.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Tenn. Code Ann. § 6-58-104(e)(2) currently provides that a coordinating committee will not be required to convene when a municipality amends its urban growth boundaries under this section.
- Extending the authority granted under this section for one year will also dispense with the need for the coordinating committee to meet during the extended period and will result in a not significant fiscal impact.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
